

# Find your Crystal Allies ...facilitated by Suzanne Lane

Sunday 29<sup>th</sup> April 2018  
Abington Barns  
10am to 4.30pm ... Price £50

Crystals are one of the most powerful tools we have today in supporting our journey through life. The choosing, cleansing, tuning and programming of Crystals impact our power and intention, supporting us as we move forward,

embracing our destinies to be the best possible version of ourselves.

This workshop combines, Numerology, Chakra's and the vibrational energies of Crystals in a voyage of discovery. We will be working with destiny numbers, what they mean and selecting the stones that resonate best with an empowered you.

You leave with a beautifully illustrated user guide to do the same for your families, friends and clients.

There is an opportunity to purchase your Crystals allies on the day. I have a range of crystals from the more common, to the highly unusual. If you prefer to seek your Crystal ally elsewhere, bring a clear-quartz to work with on the day.

To book your place please either email Suzanne on [smjlane@lifequest.co.uk](mailto:smjlane@lifequest.co.uk)

Or private message Suzanne on Facebook 'Cambourne Open Minds'  
The course can be paid by paypal, Bankers transfer or cash on the day.

I attended the Crystal Allies workshop with a group of lovely ladies and I thoroughly enjoyed it. Suzanne Lane is a wonderful hostess and I found the workshop really interesting. I also loved the fact that there were crystals for sale on the day, so I could purchase exactly what I needed.

I attended Suzanne's workshop last year & was very impressed by her knowledge & also the amount of information & processes we were given to take away & use both with ourselves & others. I was particularly looking to learn how to programme a crystal & was very pleased to be able to do that on the day & since. We also had some fun & frivolity & lots of friendly banter. I would thoroughly recommend this workshop to anyone who wants to understand how they work linked to both numerology & crystals. It was great to be able to buy some crystals as well.
